

# OCS - S

## Crane Scale

- ✓ High-Precision Display
- ✓ Accurate Measurements
- ✓ Durable Construction
- ✓ User-Friendly Functions
- ✓ Portable Design

**Capacity: 500kg**

**Accuracy: 50g**

### Features

- Enlarged screen/display: Features 2" long LED display with white backlight and huge black numbers with high-precision visibility of over 10 meters distance.
- Accurate/sensitive readings: High-quality adaptation for taking consistent and accurate measurements. Readings instantly get adjusted once load changes.
- Adaptability and user-friendly design: A simple device (with manual) which can be hanged, then loads fit into bags and attached to hooks (load receptors).
- Readability: Features Autozero, Zero, Tare, Hold, Auto power-off/on, battery supervision, overload alarm, and unit switch functions.
- Portability and safety: Safely adapted load receptor, shackle and hook are made of high-quality stainless steel, thus offer sturdy and durable attributes.
- Multi-purpose features: This scale is hand-held and very portable. Thus, it can be adapted for farms, hunting, fishing, workshops etc.

### Specification

Accuracy class	OIML III
Tare range	100%F.S.
Zero range	4%F.S.
Safe overload	120%F.S.
Ultimate overload	400%F.S.
Overload alarm	100%F.S.+9e
Battery life	>100h
Temperature range	-10 ~40
