

WT50002CF

Want Electronic Balance

RS232 Interface

Stainless Steel Pan

Specifications

Brand Name	Want
Model	WT50002CF
Power Supply	AC/DC
Display Type	LCD
Accuracy	0.01g
Capacity	5000g
Pan size	160mm
Outline size	33*21*10cm
Material	Stainless steel pan-ABS body
Interface	RS232

Six Core Functions

Automatically Clear

Equipped with RS232 interface

Direct Reading of Density Weighing

Counting Function

Unit Conversion

Rechargeable

Aluminum Alloy Enlarged Base

Stable & Reliable

The sensor part is sealed and shielded separately & the Bottom thickness is upto 3.8mm

High Performance

ELECTROMAGNETIC
INDUSTION SENSOR

Accurate to 0.001g

Quad-core Intelligent Central Processing Chip

IC Circute Intergrated CBC Chip
Computing Technology
